To Whom It May Concern:

The Township of Alnwick/Haldimand invites you to provide a quote for winter sand for the **winter season of 2020 - 2021**. We require a cost per tonne to supply screened winter sand to be hauled, mixed with salt, and stacked in our Roseneath Dome. The Township will supply the salt. The price per tonne will include all taxes. All sand delivered to our dome must be weighed (**volume calculations will not be accepted**). The Roseneath Dome will require approximately 4,500 tonnes. The dome must be completely filled by October 31st, 2020 and **may** require to be re-filled again (also screened) throughout the winter depending on the season.

The closing date for response will be Thursday August 28th, 2020 at 11:00 a.m.

Due to COVID-19, please email your quote clearly marked "**2020 - 2021 Winter Sand / Roseneath Quote**" to tgilmour@ahwp.ca

"Lowest or any tender not necessarily accepted."

Yours truly,

Troy A. Gilmour, C.Tech, rcji
